Do you want to join an amazing team that offers competitive pay and benefits? We are looking for Registered Nurses to join our Nursing Team.

Manoa Senior Care is a provider of high level care in an intimate setting located in Honolulu, HI on the island of Oahu. Our staff delivers personalized, resident-centered care and builds meaningful relationships with residents and families.

Job Profile

As a Registered Nurse (RN) you will be part of an integrated team who provide physical, emotional and relational care for our residents. This includes resident assessment and leading a team of Certified Nursing Assistants. The Manoa Senior Care model is unique in that the RN engages in hands-on care, develops close relationships with residents and families and has direct impact on the quality of care that the residents receive. Each care member works together as a team, each contributing in their roles to meet a high standard of care.

The RN is also responsible for providing exceptional customer service and demonstrating the Manoa Senior Care values of Compassion, Honesty, Teamwork, Excellence and Productive Work.

We are seeking qualified candidates who would value this opportunity. We offer a competitive compensation package to include a sign-on bonus, housing and a company car.

Qualifications

- Graduate of an accredited School of Nursing
- Must be a registered Nurse
- Ability to prioritize tasks
- Skilled in problem resolution
- Ability to focus efforts towards quality resident care
- Excellent oral and written communication skills
- Exhibits sound mature judgment
- Ability to implement Plan of Care consistently and effectively with focus on resident centered outcomes
- Work in collaboration with physician and/or other health care professionals
- Deliver and maintain optimum resident care and comfort by demonstrating knowledge and skills of current nursing practices
